

LUXFER

ECLIPSE™ Pro3 NLL

Next evolution in cylinders

PRODUCT SPECIFICATION

The introduction of Luxfer ECLIPSE™ adds to Luxfer’s proven line of SCBA products including its market-leading LCX® SCBA cylinder family. Luxfer ECLIPSE’s next-generation carbon fibre overwrap reduces weight to improve agility, mobility and ergonomics. Luxfer ECLIPSE Pro3 NLL comes in a 45-minute variant.

Luxfer ECLIPSE meets the regulatory standards of UN/ISO | EN | US DOT | NIOSH | NFPA.

Luxfer ECLIPSE Pro3 NLL with protective boot and quad-top cap
